

# ALFALFA/HAY GROWERS MEETING

MONDAY, FEBRUARY 25, 2019

1:00 PM TO 5:30 PM

Location:

Uinta County Conservation District  
Office

204 East Sage Street

Lyman, WY

Uinta County Weed & Pest District is hosting a growers meeting to assist people with management decisions regarding alfalfa varieties, different planting ideas, weed control, insect identification and management. Please help spread the word to anyone who may want to get information. There is no cost to the workshop we would just like to have an idea of who can attend by Thursday, February 21, 2019. Both Travis and Dan were Crop Advisors in Utah before Wyoming.
