SOUTHWEST WYOMING

VIRTUAL FENCE

SYMPOSIUM

Virtual fence continues to evolve and be adopted by producers throughout the region. What are their stories and how does this technology aid in ecological, economic, and social outcomes?

Agency Panel

Hear how agencies and NGOs have collaborated to change management with VF, benefiting the producer and the landscape

Producer Pannel

Learn from producers who are already using virtual fence. What have been their challenges and successes in adopting the new technology?

Manufacturer Panel

Representatives from several virtual fence companies will discuss their unique product and will be available to answer your questions.

Economics & Decision Making

Weigh the risks, costs, and returns of virtual fence for your operation in this economics & decision-making session
